Read straight through, this script fills the full runtime.

DELIVERY

Nigerian-accented, warm, confident, unhurried — a senior lawyer talking to someone they're on the side of, not a hype-reel narrator. About 150 words per minute.

SCENE 1 `0:00–0:03` `3.00s`

WhatsApp thread: "I'll pay you next week"

(no VO — silent, text carries it)

SCENE 2 `0:03–0:09` `5.71s`

Deposit receipt card — N450,000, no delivery

Whether it's a deposit, a loan, or an invoice — someone stringing you along feels the same.

SCENE 3 `0:09–0:13` `4.25s`

Logo reveal: "PANDAS LP — YOUR AI LEGAL TEAM"

This is Pandas LP — Nigeria's AI-native legal team.

SCENE 4 `0:13–0:19` `6.23s`

Chat demo — "He took my N450,000 deposit and never delivered."

Tell it what happened, in your own words. Upload your proof, and it tells you on the spot what holds up.

SCENE 5 `0:19–0:27` `8.21s`

Pricing cards — N10,000 self-serve / N25,000 we serve it

Choose how it goes out. Ten thousand naira to serve it yourself — twenty-five thousand, and our team delivers it. You see the price before you pay anything.

SCENE 6 `0:27–0:32` `4.87s`

Case tracker — Paid -> Served -> Filed -> Judgment

Track every stage from your dashboard. If they still won't pay, we escalate to court for you.

SCENE 7 0:32–0:39 6.32s

Notice of Demand letter, "REVIEWED" stamp

Every letter is reviewed and signed by a licensed lawyer before it's ever sent.

SCENE 8 0:39–0:45 6.48s

End card — "THEY OWE YOU. WE GO AFTER IT." / pandaslp.com.ng

Pandas LP. They owe you — go after it, at pandaslp dot com dot ng.
